SENATOR BARNETT: Well indicate his presence now. All senators please indicate your presence so we can get the session back in order. Record the roll.

CLERK: Quorum present, Mr. President.

SENATOR BARNETT: Senator DeCamp, I think when we recessed for lunch we were on your amendment to 182, to return. I believe it was Senator Nichol that was next. Is that correct?

SENATOR DeCAMP: I've kind of made a head count. There is some concerns about the amendment. Senator Duis thinks the problem can be handled by the Department of Environmental Control with rules and regs. I don't want to do anything to jeopardize this bill of Senator Venditte's, so I'll just pull the amendment.

SENATOR BARNETT: Senator DeCamp's amendment is withdrawn. Mr. Vince.

CLERK: Mr. President, there are no further amendments on the bill.
